Hospitality Steward  
Turnstile Steward  
Cash Handlers (Ticket & Scorecard Sellers)  
Search Steward**

We are looking for bright, enthusiastic people to join our stewarding and customer care team for the 2010 Season. Our aim is to provide spectators with an unrivalled experience in a safe and secure environment.

There are a variety of stewarding positions available within the Ground. Stand Stewards are involved in providing information, customer service and monitoring health and safety in our public viewing areas.

Turnstile Stewards and ticket sellers are an extremely important part of our service as they are the first point of contact for Members and patrons on arrival to the Ground. A Turnstile Steward's main responsibilities are the control of both entry and exit from the Ground. We appreciate that this can be a challenging position. Turnstile Stewards will therefore receive longer breaks than Stand Stewards and may finish up to 2 or 3 hours before other stewards on a rotational basis. Cash handlers will also finish earlier than Stand Stewards.

Search Stewards will undertake routine searches of patrons entering the Ground. We appreciate that this can be a challenging position so Search Stewards will therefore receive a higher pay rate than a first year Stand Steward and may if circumstances allow, finish before those working in the stands.

We also require stewards to look after our hospitality facilities such as private boxes and exclusive debenture areas to ensure that guests enjoy our fabulous facilities.

Please indicate on the enclosed application form your preferences for these positions. Also note however, that deployment to a specific position is never guaranteed.
