DEBENTURES AT LORD'S SUPPLEMENTARY OFFER DOCUMENT 2023-2026

Thank you for choosing the Home of Cricket.

This document and the Main Document contain all you need to know about an opportunity to hold a Debenture in the Compton and Edrich Stands, Mound Stand and/or Grand Stand.

As an Existing Debenture Holder, you are being offered a priority window in which to upgrade your existing Debenture seats and/or acquire further Debentures, should you wish to do so.

The Debenture seat areas represent the finest at Lord's. The Ground has long held a reputation for architectural excellence as reflected in the standards set by the Grade II*-listed Pavilion and the RIBA Stirling Prize winning J.P. Morgan Media Centre. For over two centuries, Lord's has retained its charm and character as an iconic cricket ground, with its green spaces providing a haven from the fast pace of modern life.

I hope these offers are of interest to you, and I would like to thank you for your continued support of the Club, which ensures Lord's remains arguably the finest cricket ground in the world. We look forward to welcoming you back to the Home of Cricket soon.

Guy Lavender
Chief Executive & Secretary, MCC

SECTION 1 GENERAL INFORMATION

INTRODUCTION

This document and the Upgrade Application Form to be provided in connection with it constitute the Supplementary Offer Document referred to in the document dated 12 August 2022 issued by Marylebone Cricket Club (**Club**) (acting by the MCC Committee with the approval of the Treasurer) in respect of the offer of certain other debentures by the Club (**Main Document**) which you will have received with this document. This document must be read in conjunction with the Main Document.

This document offers the holders of the Existing 2019-2026 Debentures, Existing 2021-2026 Debentures and Existing 2022-2026 Debentures the opportunity to upgrade the rights attaching to such debentures by buying a new Upgraded Debenture (**Upgrade Offer**). The Supplementary Offer Document contains the terms of the Upgrade Offer (**Upgrade Offer Terms**).

Words and expressions used in the Main Document, as varied, amended or added to in Section 4 of this document, shall have the same meanings in this document and in the Upgrade Application Form, unless the context requires otherwise.

You should note that the Price for Upgraded Debentures includes a premium and VAT element, which will not form part of the Upgrade Nominal Value of the loan to the Club. The premium and VAT element therefore will not be repayable to Upgraded Debenture Holders on the redemption or repayment of the Upgrade Nominal Value of the Upgraded Debentures (which is due with respect to Upgraded Debentures relating to Existing 2019-2026 Debentures on 1 November 2093, with respect to Upgraded Debentures relating to Existing 2021-2026 Debentures on 1 November 2095 and with respect to Upgraded Debentures relating to Existing 2022-2026 Debentures on 1 November 2096). Please refer to Part 1 of Section 3 of this document which sets out the level of the Upgrade Nominal Value of the loan and the premium and VAT element applicable to the various types of Upgraded Debentures that are being offered.

You should ensure that you read and understand all of this document, the Main Document and the Upgrade Application Form before applying for Upgraded Debentures. In particular, your attention is drawn to the risk factors referred to in Section II of the Main Document (as amended by virtue of the section headed “7. *Incorporation of terms*” below). If you are in any doubt as to the contents of the Supplementary Offer Document, or whether subscribing for Upgraded Debentures is suitable for you, you should seek your own independent advice from an appropriately qualified adviser. Please note that in respect of the Upgraded Debentures, no advice is being, or will be, provided to you by the Club, its officers, employees, advisers or agents.

The Upgraded Debentures are not transferable (save on the death of an Upgraded Debenture Holder and then only to the legal personal representative of such Upgraded Debenture Holder or to a beneficiary so entitled under the estate of such Upgraded Debenture Holder). Therefore, Upgraded Debenture Holders will not be able to realise any value by selling their Upgraded Debentures.

The Upgraded Debentures are an unsecured debt of the Club. Therefore, the capital of an Upgraded Debenture Holder is at risk and they may not get back the full Upgraded Nominal Value of an Upgraded Debenture or any at all.

RESPONSIBILITY

The Main Document and the Supplementary Offer Document have been issued by the Club (acting by the MCC Committee with the approval of the Treasurer) and the information contained in them is, to the best of the knowledge and belief of the MCC Committee, fair, clear and not misleading.

VSA is authorised and regulated by the Financial Conduct Authority (**FCA**) and is entered in the FCA Register with registration number 158970. The main business of VSA is the provision of corporate finance advisory and corporate broking services.
